*O Holy Child of Bethlehem,

Christmas...

Each Christmas day Christians celebrate one of the most wonderful days in the history of the world. The Creator of the Universe came to earth as a Baby. There is no doubt this is true as God Himself has told us in the Bible.

Why did He come? The Bible gives the reason: **Christ Jesus came into the world to save sinners...**

I was really glad that in Her Majesty's Christmas day message last year she quoted words from the beautiful carol *O Little town of Bethlehem*.

**O holy Child of Bethlehem, descend to us we pray;
Cast out our sin, and enter in, be born in us today.**

The Queen continued: *'It is my prayer that on this Christmas day we might all find room in our lives for the message of the angels and for the love of God through Christ our Lord.'*

This message to the shepherds told them of the birth of a Saviour, the Lord Jesus Christ, the One who would save all who trust in Him.

"Do not be afraid, for behold, I bring you good tidings of great joy which will be to all people. For there is born to you this day in the city of David a Saviour, who is Christ the Lord."

We wish you a very happy Christmas and pray that we will all thank God for His wonderful Gift and believe in the Saviour born on that wonderful day! Please join us over the Christmas season - and whenever you can in the New Year!

Sincerely,

George Rabey (Pastor)
