

March 2010

**The long winter... it's almost over....**

**Snowdrops!** Fragile.., delicate... beautiful... a sign that soon golden daffodils will once again herald the arrival of spring and warmer days to come. All nature declares there is a great and incredibly imaginative Creator! The Psalms refer to sunrise and sunset showing God's handiwork and the heavens declaring His glory.

And the rainbow! The greatest catastrophe ever experienced by the human race was the Flood. Only one family in the whole world loved and worshipped God... As the Lord saw the wickedness of man the Bible says He was 'grieved in his heart'.

He warned man of the disaster to come through His servant Noah. God's plea was ignored and after a long period the deluge came. Those who trusted in the Lord - only the eight people in Noah's family - were saved. After the waters subsided and the household began their new life, God declared that He would never again destroy the earth in that way - and He gave the rainbow as a sign of that promise.

Evidence of the Universal Flood is seen all over the world. It seems that in every land men and women have discovered fossils - many being silent evidence of the worldwide flood... And all over the world the rainbow is seen - silent and colourful testimony to God's promise.

We hope you will accept our invitation to come to a special power point presentation looking at what God says about the Flood and how scientific evidence about this catastrophic event abounds all over the world. Paul Taylor from Answers in Genesis - the ministry of the Creation Science Foundation - will be our speaker on **Saturday March 20<sup>th</sup> at 7.30 p.m.** Do come - and if you have questions afterwards I am sure Paul will do his best to answer!

Sincerely,

George Rabey, Pastor

This is evidence that the righteous justice of God, who sent His Son into the world to bear the punishment for our sins, was completely satisfied. Now there is forgiveness for all who believe in his Son, the Lord Jesus Christ. No wonder we rejoice!

Please join us this Easter!
